## Revenue Share

pay for the content server and **share  
revenue** with the movie studios

With the Revenue Share service, the video content is paid for by the hotel guests and the hotel profits from the sales on a revenue share basis.

**Let guests pay for their movies  
and share revenue with the  
movie studios...**

Sales of up to **£1.50** per room per month go entirely to the movie studios. For any sales above **£1.50**, 20% goes to the hotel and the rest to the movie studios.
